Calendar Sales or Fundraiser-

- At this point it is still an unfinished decision
 - What model do we want to use?
 - Need to land on a decision and then Melissa will speak to Mr D
- Can't use the same way as in the past because of paper and touchpoints with calendar sales
- How do we want to run it?
 - Do we need to do this all virtually?
 - It will still be an option to mail the check to the TMA post Office box or if someone has to have a paper copy.
 - How do we get the virtual sheet to the students?

- Discussed having the teachers add them to their Google classrooms and sharing through Google to us.
 - Once a month there is a chance for people to win.
 - Drawing will be a larger amount of \$100 to \$200 dollars
 - Sponsor participation determines the amount of money.
- Post for the sponsors will be virtual on the website, Facebook page and we can email their links with the winners each month to everyone who purchased a chance.
 - What will sponsors pay for a social media spot?
 - Most people thought sponsors would like that better than a paper calendar.
- The TMA general fund is getting smaller, so we need to consider having some of the funds go to the TMA from the fundraiser.
 - This is typically what is done with the calendar fundraiser.

Football Senior Night

- Rain held off so it was a huge success
- Not done the traditional way but students still got pictures, posters, flowers and they got to play at the game.
