Brainstorming for Senior Recognition- no new ideas

Senior shirts- Christine

- T-shirts-
 - Christy Hubley is getting an example from Kat Lancaster. She is trying to keep it close to cost for us. Which T do we like and which senior word? The group agrees with white shirts, the maroon outlined T (as long as it is not blurry), with the maroon letters and black numbers. Anything else we want to add? We can get balck or maroon but to Christy the words stand out more on the white.

○
Senior Parade- All agree that this was a fun event and want to do again

Yearbook- Christine needs to give Pam access. Need to plan group senior pictures, it was requested it be done after school to include those that are still remote. Pam suggested maybe to reach out to senior parents to request pics. Also need to reach out to students to request candid. The idea was mentioned to use a Google drive for students to send their photos to.

Senior bios also need to be sent and collected.

New Business- Mr D is retiring, discussion about what we can do. Melissa suggested Kudo Board, a website that collects well wishes from people for the honoree. Melissa also suggested that there is another similar website that she will look into to bring the next meeting.
